Insight Into life

Humanized design

Advocating the combination of technology and humanities, provide a comfortable operation experience to you.

- Compact design for maximum use of limited space.
- Touched screen, bringing you a sense of technology and fashion.
- Integrated electric patient table, endless care for you.

Perfect magnet

- Highest magnetic field of permanent magnet, industry leading level.
- Unique A-shimming technology, ensure a high level homogeneity of magnetic field.
- Intelligent temperature control system, supply a high stability of magnetic field.

Advanced gradient system

- Combined with Self-shielding & Eddy-'0' technology, ensure a high image quality.
- High level linearity & Powerful output, close to super-conducting MRI
- Easy to get large FOV and Thinner slice images, Fast scan speed

Digital 4 channels RF system

- 4 channels PA receiving coils
- 4 channels A/D Unit
- 4 channels full-digital spectrometer
- Powerful RF output

Outstanding PA receiving coils*

Low operating cost

Meet your clinical application with convenient operation experience, save your 80% operating cost.*

From the moment you choose ANKE, our all-round cooperation begins. Once you are in ANKE's global customer service system, you will experience a complete service solution that is all you expect, all you want and all you need.

Flexible site design

Service Platform

- 24-hour call centre service
- Spare parts guarantee in the spare parts centre
- Professional tools for efficient insurance

Service Quality

- One-to-one service by technical experts
- Preventive maintenance
- Timely detection of hidden problems

Service Network

- Over 100 engineers
- Over 30% technical experts
- R&D-led technical support centre

Service Efficiency

- Remote support
- Fast problem solving
- Efficient dispatch to reduce time
